Freedom Pledge to Never Drink and Drive

No excuses—make a personal pledge and keep it.

Our Agreement

Children and Parents pledge:

I pledge to never drink and drive because alcohol impairs brain function which can result in drunk driving crashes, and drunk driving crashes cause intense suffering that is both needless and 100% preventable.

I will not risk forcing others to suffer life-long grief because of my bad choices.

Therefore I solemnly pledge never to drink and drive.

I will encourage others to do likewise.

I won't ride with someone who has been drinking.

I will not drink while underage or give alcohol to a minor.
