Conversation Cards for Happy Meals

Having conversations with your kids is an effective way to increase family bonding.

Cut out the question cards found below, place in a jar, and put it in the center of the dinner table. If you don't have a printer, just write these questions on a sheet of paper and cut them out. Feel free to allow your kids to decorate the jar!

During the family meal, take turns drawing questions from the jar. Make sure everyone gets a chance to answer each of the questions! Describe why as part of your answer.

Discuss! Take turns answering the question. Be polite, encouraging, and don't bring up anything negative. This time is to get to know each other better and bond. Leave arguments out of Happy Family Meals!

If could trade lives with any relative for 24 hours, who would it be?

If you could be on any television show, what would it be?

What is the best present you've ever received?

If you had three wishes, what would they be?

What's one thing you think should be invented to make life easier or more enjoyable?
